RE: PAINTERS R US // LETTER OF RECOMMENDATION

Painters R Us were engaged together with Prominent Paints with the Body Corporate to Re-Paint the entire Carlswald Creek Townhouse Complex consisting of 194 units, the clubhouse, the storerooms and both sides of the Boundary Wall.

This project got underway in April 2015 and will run for 10 months.

This project is well managed, well within the proposed budget, well within the target period and well within the warranty specifications set out by the Paint Manufacturer.

We have heard only compliments with regards to the workmanship, administration, behaviour and the standards that are applied to this project.

Painters R Us come highly recommended by Pretor.

Yours Faithfully,
