To Whom It May Concern:

I write this letter of recommendation for Andrew Coldicott of the Company Painters R Us because it has been earned.

In 2015, I was in need of a company that could paint my house at short notice with a competitive price, and Andrew was quick to both quote and resume with the task at my nearest convenience. I was very happy with the quality and the speed at which the project was executed. The team he assembled to do the job was very professional and finished at the agreed time.

As a result of that experience I regularly refer other people who might be in need of Andrew Coldicott services. If you are in need a professional painting company I highly recommend you meet with Andrew learn about the value of his services. I hope that you will call me and confirm how earnestly I recommend Andrew Coldicott of the Company Painters R Us.

Very truly yours,
